

#### SHEEP DOG CLINIC

- Understanding your working dogs mind
- Consistent and fair correction
- Being a team
- Timing! Pressure and Release
- Setting goals and dreaming big

#### TRADE SHOW

A number of local vendors will be present to show various new and unique products that apply to a rural community. Don't miss a chance to check out something new!

#### CATTLE DOG TRIAL

Each Dog and Handler are working against the clock and towards points, as they maneuver 3 head of cattle through an obstacle course. Each time an animal passes through an obstacle they make points. There are 5 different events

Each division will be working toward an aggregate trophy for the handler and dog that have accumulated the most points with lowest time over the weekend.
